COURSES IN CONTINUOUS COVER FOREST MANAGEMENT

1 Day CCF COURSE FOR FOREST OPERATIONS

Tuesday 30th April & Tuesday 17th September 2024

The course is designed to suit all levels of expertise and understanding of Continuous Cover Forestry. It will be held in County Wicklow and comprises of a 1-day course especially suited for woodland owners and forestry operators.

**The course will be led by Phil Morgan,
a leading practitioner in Wales with wide experience of Irish forests.**

**The CCF OPERATIONS course is held at Carrignamuck and Cloragh Estates, Co.
Wicklow
on the following dates:**

Tuesday 30th April and Tuesday 17th September 2024

***Booking for this Course will be direct to SelectFor Ltd. Please contact David Pengelly
at david@selectfor.com***

The course will visit some of the best Irish examples of developing irregular stands and will focus on the key steps that lead to transformation. The pathways between the Stages of transformation, 1. Preparation, 2. Initiation of regeneration, 3. Structural development and 4. Structural attainment will be elaborated with the assistance whenever possible of real forest conditions.

Topics to include:

- Forest planning & infrastructure
- Forest inventory & tree marking
- Harvesting systems & operations
- How to maximize added-value

The course fees are being funded by the

EIB R&D and Training Support Project to a Continuous Cover Forestry Fund.

Participants will be required to fund their travel, accommodation, and subsistence.
Details of available accommodation will be supplied.

“The technical assistance assignment is financed under the Natural Capital Financing Facility (NCFF) which is a financial instrument blending EIB funding with European Commission (EC) financing funded by the Programme for the Environment and Climate Action (LIFE program).”
